Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Bloomfield Hills Fire Rescue and Medical Response Apparatus Project in fiscal year 2027. The entity to receive funding for this project is the City of Bloomfield Hills, located at 45 E Long Lake Road, Bloomfield Hills, MI 48304. The funding would be used to replace an ageing and unreliable emergency response vehicle with a modern emergency vehicle. The project is an appropriate use of taxpayer funds because it will facilitate reliable emergency response and public safety services for residents and visitors to the city.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family

Sincerely,

Haley Stevens
Member of Congress
