Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Power Road Water Main Project in fiscal year 2027. The entity to receive funding for this project is the City of Farmington located at 23600 Liberty Street, Farmington, MI 48335.

The funding would be used for the replacement and upgrade of a water main along Power Road in addition to the removal of lead and galvanized service lines. The project is an appropriate use of taxpayer funds because it will facilitate the health and well-being of residents by ensuring access to clean and safe drinking water.

The project has a federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family

Sincerely,

Haley Stevens  
Member of Congress
