Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Brock Street Reconstruction and Shoreline Rehabilitation Project in fiscal year 2027. The entity to receive funding for this project is the City of Keego Harbor, located at 2025 Beechmont St, Keego Harbor, MI 48320. The funding would be used for the reconstruction of Brock Street, combined with shoreline stabilization and dredging of the adjacent canal. The project is an appropriate use of taxpayer funds because it will protect public safety, preserve recreational assets, and support long term environmental and infrastructure resilience.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family

Sincerely,

Haley Stevens
Member of Congress
