Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Police Department Facilities Modernization and Improvement Project in fiscal year 2027. The entity to receive funding for this project is the City of Pleasant Ridge, located at 23925 Woodward Avenue, Pleasant Ridge, MI 48069. The funding would be used to renovate the police station to include information technology, previously non-existent support facilities, and energy efficient upgrades to improve security and safety. The project is an appropriate use of taxpayer funds because it will benefit residents and businesses by improving the ability of the police department to respond to emergencies and serve the community.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family

Sincerely,

Haley Stevens
Member of Congress
