Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Pontiac Drinking Water System Improvement Project in fiscal year 2027. The entity to receive funding for this project is Oakland County Water Resources, located at One Public Works Dr, Building #95W, Waterford Township, MI 48328.

The funding would be used for critical water system repairs and improvements to essential water system valves located on large transmission mains. The project is an appropriate use of taxpayer funds because it will facilitate the health and well-being of residents by ensuring access to clean and safe drinking water.

The project has a federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family

Sincerely,

Haley Stevens
Member of Congress
