Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Auburn Hills Stormwater Infrastructure Project in fiscal year 2025. The entity to receive funding for this project is the City of Auburn Hills, located at 1827 N. Squirrel Rd., Auburn Hills, Michigan 48326.

The funding would be used for improvements to critical storm water infrastructure, including the replacement of failing or undersized storm sewer, and repair of storm manholes and catch basins. The project is an appropriate use of taxpayer funds because it serves to protect public health, safety, and the environment.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Haley Stevens
Member of Congress
