May 10, 2024

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Berkley Citywide Lead Water Service Line Replacements Project in fiscal year 2025. The entity to receive funding for this project is the City of Berkley, located at 3338 Coolidge Hwy, Berkley, Michigan 48072.

The funding would be used for the replacement of lead water service lines throughout Berkley. The project is an appropriate use of taxpayer funds because it will facilitate the health and well-being of residents by ensuring access to clean and safe drinking water.

The project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Haley Stevens
Member of Congress
