Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Oakland County Courts and Law Enforcement Management Information System (CLEMIS) Technology Modernization Project in fiscal year 2025. The entity to receive funding for this project is Oakland County, located at 2100 Pontiac Lake Road, Waterford Township, Michigan 48328.

The funding would be used for the transition of the CLEMIS platform and applications to web-based technologies that include mobile computing. The project is an appropriate use of taxpayer funds because it will improve law enforcement and public safety outcomes by improving information sharing and decision making across the region.

The project has a Federal nexus because the funding provided is for purposes described in section 1701(b)(8) of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10381(b)(8)).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Haley Stevens
Member of Congress
