Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Farmington Community Sanitary System Improvements Project in fiscal year 2025. The entity to receive funding for this project is the City of Farmington, located at 23600 Liberty St, Farmington, Michigan 48335.

The funding would be used for the modernization of an existing pump station including replacement of multiple generators and pumps. The project is an appropriate use of taxpayer funds because it will provide reliable sanitary sewer system infrastructure reducing the risk of sewer backups, while saving energy and maintenance costs.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Haley Stevens
Member of Congress
