Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Farmington Hills Senior Center Project in fiscal year 2025. The entity to receive funding for this project is the City of Farmington Hills, located at 31555 West 11 Mile Road, Farmington Hills, Michigan 48336.

The funding would be used for the construction of a new modern community senior center to serve older adults and residents with disabilities. The project is an appropriate use of taxpayer funds because it will allow for programs and services encompassing physical, social, educational, and recreational activities, ensuring the health and well-being of residents.

The project has a Federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Haley Stevens
Member of Congress
