Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Troy Community Center Building Generator Project in fiscal year 2025. The entity to receive funding for this project is the City of Troy, located at 500 W Big Beaver Road, Troy, Michigan 48084.

The funding would be used for the addition of a generator to the Troy Community Center. The project is an appropriate use of taxpayer funds because it will allow for the center to be utilized during emergencies as a shelter and gathering place, as well as a warming and cooling location during extreme weather.

The project has a Federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Haley Stevens
Member of Congress
