Committee on Appropriations  
U.S. House of Representatives  
H-307 The Capitol  
Washington, DC 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Renovations for the Critical Expansion of Affirmations Community Center's Renovation Project in fiscal year 2024. The entity to receive funding for this project is Affirmations Community Center, located at 290 West Nine Mile Road, Ferndale, MI 48220. The funding would be used for a lower-level building renovation to accommodate five new offices, a waiting area, and state-of-the-art counseling capabilities. The project is an appropriate use of taxpayer funds because it will impact hundreds of community members each year that are seeking affordable and accessible counseling services.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2) and 5305(a)(4).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Haley Stevens  
Member of Congress
