Committee on Appropriations
U.S. House of Representatives

Washington, DC 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the City of Auburn Hills - Fire Department Modernization Project in fiscal year 2024. The entity to receive funding for this project is the City of Auburn Hills, located at 1827 North Squirrel Road, Auburn Hills, MI 48326. The funding would be used for the modernization of 2 of the 3 fire stations in Auburn Hills, creating efficient and safe workspaces that reduce carcinogen exposure. The project is an appropriate use of taxpayer funds because it will improve emergency capabilities and efficiency while ensuring a healthy and safe environment for Auburn Hills first responders.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2) and 5305(a)(4).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Haley Stevens". The signature is written in a cursive, flowing style.
