Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Birmingham Senior/Recreation Center Project in Fiscal Year 2026. The entity to receive funding for this project is the City of Birmingham, located at 151 Martin Street, Birmingham, Michigan 48012-3001. The funding would be used for the renovation and rehabilitation of a former YMCA building to serve as a new Senior and Recreation Center. The project is an appropriate use of taxpayer funds because it will provide community services and resources, along with health and well-being opportunities for older adults, younger people and families in Birmingham and surrounding communities.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family

Sincerely,

Haley Stevens
Member of Congress
