Committee on Appropriations
U.S. House of Representatives

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Chesterfield Bridge Reconstruction Project in fiscal year 2024. The entity to receive funding for this project is the City of Bloomfield Hills, located at 45 East Long Lake, Bloomfield Hills, MI 48304. The funding would be used for the replacement of a culvert bridge that allows for the natural flow of the Rouge River. The project is an appropriate use of taxpayer funds because it will ensure safe travel for residents and facilitate unobstructed water flow helping to prevent any unintended flooding. The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Haley Stevens
Member of Congress
