Committee on Appropriations  
U.S. House of Representatives  
H-307 The Capitol  
Washington, DC 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Clawson Water Main Improvement Project in fiscal year 2024. The entity to receive funding for this project is the City of Clawson, located at 425 N. Main Street Clawson, MI 48017. The funding would be used to install and upgrade 2,300 feet of 8-inch water main to 12-inch water main on South Rochester Road. The project is an appropriate use of taxpayer funds because it will improve access to clean water for numerous small businesses, single family homes, and multi-family residences.

The project has a Federal nexus because the funding provided is for purposes authorized by Title Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Haley Stevens  
Member of Congress
