Dear Chairwoman Granger and Ranking Member DeLauro,

I am requesting funding for the Law Enforcement Emergency Vehicle Operations Project in fiscal year 2024. The entity to receive funding for this project is the Farmington Hills Police Department, located at 31655 West 11 Mile Road, Farmington Hills, MI 48336. The funding would be used for training law enforcement officers on how and when to utilize the Pursuit Intervention Technique.

The project is an appropriate use of taxpayer funds because it has the potential to save lives and ensure the safety of community members and all those traveling through Farmington Hills

The project has a Federal nexus because the funding provided is for purposes authorized in section 501 of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10152).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Haley Stevens  
Member of Congress
