Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Ferndale Lead Service Line Verification Project in Fiscal Year 2026. The entity to receive funding for this project is the City of Ferndale located at 300 E Nine Mile Rd, Ferndale, Michigan 48220. The funding would be used to identify any service lines that contain lead to ensure their replacement. The project is an appropriate use of taxpayer funds because it will facilitate the health and well-being of residents by ensuring access to clean and safe drinking water.

The project has a federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family

Sincerely,

Haley Stevens
Member of Congress
