Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Hazel Park Streetscaping & Accessibility Project in fiscal year 2024. The entity to receive funding for this project is the City of Hazel Park, located at 111 East Nine Mile Road, Hazel Park, MI 48030. The funding would be used for the revitalization of the pedestrian environment surrounding the John R Road corridor by installing ADA complaint pedestrian curb ramps, benches, trash receptacles, and planters. The project is an appropriate use of taxpayer funds because it will encourage pedestrian safety, increase property values and stimulate economic growth.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2), and 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Haley Stevens". The signature is written in a cursive, flowing style.
