Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the LifeLab Kids GROW (Growth Requires Overall Wellness): Prevocational Facility Project in fiscal year 2024. The entity to receive funding for this project is LifeLab Kids Foundation, located at 3178 Hilton Road, Ferndale, MI 48220. The funding would be used for the rehabilitation of a building to house a pre-vocational training program for children, ages 11-19, with developmental disabilities. The project is an appropriate use of taxpayer funds because it will strengthen the workforce and expand economic opportunities through crucial skill training.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(4).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Haley Stevens
Member of Congress
