Committee on Appropriations
U.S. House of Representatives
H-307 The Capitol
Washington, DC 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the City Park Lights – LED Conversion and Post Replacement Project in fiscal year 2024. The entity to receive funding for this project is the City of Madison Heights, located at 300 West 13 Mile Road, Madison Heights, MI 48071. The funding would be used for the replacement of city park light posts and conversion to LED lights. The project is an appropriate use of taxpayer funds as new light posts would remove safety hazards while promoting energy efficiency.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Haley Stevens
Member of Congress
