Honorable Ranking Member Rose DeLauro  
Committee on Appropriations  
U.S. House of Representatives  
H-307 The Capitol  
Washington, DC 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Royal Oak Township Drinking Water Improvement Project in fiscal year 2024. The entity to receive funding for this project is the Oakland County Water Resources Commissioner's Office, located at One Public Works Drive Waterford, MI 48328-1907. The funding would be used for the replacement of approximately 2,900 feet of deteriorated watermain, lead service lines, and the correction of two incomplete loops in the water system of Royal Oak Township. The project is an appropriate use of taxpayer funds because it will provide public health benefits by improving water quality and reliability.

The project has a Federal nexus because the funding provided is for purposes authorized by Title Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Haley Stevens  
Member of Congress
